Methodists Plan Pahokee Revival Starting Sunday

Weeks of Special Services at First Methodist Church, Pahokee beginning next Sunday. Dr. Allen W. Moore, D. D., native of Birmingham, Alabama, graduate of Birmingham Southern College, now general Evangelist of The Methodist Church, with his home in St. Petersburg, will lead the services.

Dr. Moore was the youngest man to ever be elected a general Evangelist of The Methodist Church. He has served as District Superintendent, pastor of First Methodist Church, St. Petersburg, for six years then pastor of First Methodist Church Dallas, a church with 4500 members. He has been identified with the Evangelistic life of the church throughout his ministry. While in St. Petersburg he served as chief of the Chaplain's Corps of the St. Petersburg defense area, also as president of the Ministerial Association.

Dr. Moore is listed in Who's Who in America. He was trustee of the Methodist Hospital in Dallas, chairman of the Board of Evangelism of the North Texas Conference. He has been in great demand as a commencement and after dinner speaker. For several years he has given full time to the Work of Evangelism through the Methodist Churches of the South, having held New Life Meetings and Revival Services in most of the large churches of Florida.

Walter B. (Bill) Mann, also of Birmingham is a musician of unusual ability having a varied experience in chorus work, soloist and in directing the music in revival services. In addition he works in assisting with personal work, in the Young People and Children's work.

There will be services each day next week except Saturday at 10:00 a. m. and 7:30 p. m. There will be good music, good singing, good preaching. Every one is cordially invited to come and enjoy the services.

Mrs. Denton Given Recognition By OES

At a meeting of the Pahokee Chapter, Order of Eastern Star in the Masonic Hall on Thursday night of last week Mrs. Hulett Denton, grand representative to Virginia for the Florida Grand Chapter, OES, was honored in a special program presented by Mrs. Ruth Meredith. Mrs. Denton received a lovely gift from the chapter.

At the close of the meeting refreshments were served by Mrs. Virginia Adams, Mrs. Edna Barrett and Mrs. Dorothy Graham, hostesses.

R. F. (Bob) Chamberlain is reported to have sold his interest in Vandegrift-Williams Farms to H. T. Williams after association with the firm for 10 years. Mrs. Doris Sasser is temporarily taking over Chamberlain's place in the V.W. offices on Belle Glade Road.

County Winners On National Hook-Up

Palm Beach County will be represented on the "RFD America" hour of the Mutual Broadcasting System on March 11. A Florida team of three won trip to Chicago to participate in the broadcast. They are: Easter Erickson of Canal Point, Ernest VanLandingham of Belle Glade and Mike Machek of Delray Beach.

Exposition Will Be Bigger, Better Than Ever Before

Plans for the Palm Beach County Exposition to be held at Morrison Field from February 28 through March 7 have exceeded all expectations according to R. D. Hill and Lamar Allen, Co-Chairman of the Exposition.

Sale of space to exhibitors has progressed to the point where it has been necessary to add three more buildings to take care of the increasing number of exhibitors.

Speaking of the plans for the Exposition in future years, Mr. Hill stated, "The response of manufacturers, distributors, agricultural and commercial people make it evident that this not only be of an annual nature, but should be permanent in character and function the year round. It is our hope that the Palm Beach County Exposition will develop to a point where we will have permanent buildings and committees. The County has many interesting products to exhibit in addition to the many State and Federal displays that we can attract that will give the public a worth-while picture of the progress and development of the county."

Plans are going forward to provide elaborate entertainment which will be sponsored by the civic clubs of West Palm Beach, according to G. Allen O'Neal, and many novelties and prizes will be awarded and offered during the Exposition which will be open to the public from 2 to 5 p. m. and 7 to 10 p. m. daily.

The first list of manufacturers who will exhibit were announced today by C. H. Quittman, chairman of that division, as follows: Hatfield Venetian Blind Co., Harry Snyder, sportswear; Redolent Products; Palm Plastics, Doner & Jordan, H&H Jalouses, White Swan Bedding Co., Wilhelm Furniture, Burnip & Sims, Lions Industries, Sirman Wood Industries, Boyd & Sons, Custom Venetian Blind Co., Vincent Perrone, Belvedere Well Co., W. A. Royce, Shellcraft, J. F. Lanier, Bamboo Products Co., E. Leonard, Pettigrew Studios, Graphic Arts, Coastal Properties Inc., Palm Beach Boat Works, Halsey & Griffith, Seminole Well Modern Venetian Blinds Co., Ratton Inc., Till-a-door Corp., Florida Venetian Screens, Rinker Materials, Herschel Allen, Silicon Products, Ollinger Co., Newport Industries, Hawthorne Roofing Co.

Manufacturers have been allotted the huge Post Exchange Building which will be gaily decorated and illuminated to display the wares of the industries of Palm Beach County.

County Council Of Parent & Teachers Held In Pahokee

Other new officers elected for the year were Mrs. J. D. Hemphill of Lake Harbor, vice president; Mrs. T. H. Glisson of West Palm Beach treasurer; Mrs. Jack A. Sutor of West Palm Beach, secretary, and Mrs. W. L. Shirley of Lake Worth, historian.

Mrs. Shea announced that the State PTA Convention will be held in West Palm Beach in November and requested that all PTA members in the county assessed 20 cents to help finance the convention. She named Mrs. G. Brubaker, Mrs. Louis Frazier, Mrs. Sutor, Mrs. E. C. Boozer and Mrs. J. Josey on the auditing committee. "Heidi" Is Coming To The Everglades

"Heidi" is coming to the stage of the Everglades Theatre in Belle Glade on February 23rd. This stage show is being presented by the famous Clare Tree Major Children's Theatre of New York under the auspices of the local Business and Professional Women's Club with the Pahokee B.P.W. cooperating.

As there is no more potent method of ethical training for children, the B.P.W. Club is sponsoring two productions of the Children's Theatre. These shows were chosen for their appeal to adults as well as children because it is important to promote family life by the participation of parents in their children's entertainment. It is hoped that the audience will be made up of family groups next Monday night.

An added feature will be a tap dance by talented little Miss Rosalin Thorpe who will be accompanied by George Peters and his accordion. Mrs. Tommie Lee DuBose, president of the Everglades B.P.W. Club, reports that the teachers have read the story of "Heidi" in the schools. Mrs. Imogene Fontaine, chairman, stated that much interest is being shown in Belle Glade, South Bay, and Lake Harbor. All indications point to a "standing room only" house. There is no advance sale of tickets. The next show will be "Robin Hood" on March 29th. The time and place will be announced at a later date.

A special limited edition for Florida will be published February 21 in the state of Florida.

Visiting Hours Are Set For Hospital

Officials of the Pahokee hospital announce visiting hours for that institution. Private and semi-private rooms may be visited in the morning from 11 a. m. until noon. In the afternoon from 3 p. m. until 4 p. m. wards, private and semi-private rooms may be visited. The same holds good for the hour between 7 and 8 at night.

Canal Point Given Space In New Book "Lake Okeechobee"

"Of considerable importance to the Lake Okeechobee region was the establishment at Canal Point on March 11, 1924, of The Everglades News, a newspaper of much influence," say A. J. Hanna and Kathryn Abbey Hanna co-authors of "Lake Okeechobee: Wellspring of the Everglades." The book which will be published by the Bobb-Merrill Company on February 21 tells the story of Canal Point as an early settlement "that sprang up in the saw-grass lands" that became today "the center of the cattle kingdom."

The era of the tar-paper shanty and floating grocery store was a far cry from the thriving town that is Canal Point today, the book states. The city was destined to suffer many hardships and many glories before it stood solidly on its two feet as an important Florida town. The building of the West Palm Beach Canal and the establishment of the Florida Commission Company with its 3,700 acres of cattle land added much to Canal Point's stature.

"Lake Okeechobee: Wellspring of the Everglades" tells the history of these ventures and their effects on Canal Point. An interesting section of the book is devoted to the discussion of United States Department of Agriculture findings which pointed out that Canal Point is the only region in the United States where sugar cane will flower and go to seed regularly. Today Canal Point is noted for producing four times more cane sugar than the average yield in Louisiana.

The Canal Point Camp for colored laborers is discussed in detail and the notorious crimes of the Ashley-Moby Gang of the early 20's in Canal Point are revealed. One of the most compelling sections of the Hanna's colorful story of Florida and Canal Point deals with the 1947 flood which bore down from the pinelands to the north of the West Palm Beach Canal covering Conners Highway and extending into the city of Canal Point. Both Dr. and Mrs. Hanna are well qualified to write such a book for they are widely celebrated throughout Florida for their civic and public activities. As two of Florida's best-known historians and most distinguished writing team they reside in Winter Park where Dr. Hanna is professor of history at Rollins College and Mrs. Hanna is a popular lecturer.

A special limited edition for Florida will be published February 21 in the state of Florida.

Labor Center At Canal Point Will Open On March 6th

Barring a freeze or other crop disaster, the Canal Point Farm Labor Supply Center will be opened on March 6, according to an announcement made today by the Pahokee Housing Authority. The decision to open this Center was made at a special meeting of the Board of Directors held Wednesday night to consider requests made by numerous interested growers for its opening in order to house labor needed to harvest the spring crops in this area. It will, as in the past, be used for the housing of negro agricultural workers.

The Canal Point Center has been closed since September 20, 1947, when it was flooded as a result of the hurricane on September 17. During the past few weeks since the flood waters receded from the site of the Center, repair of the Center buildings has been done and is being continued in order to have the whole Center available for occupancy by the announced opening date.

Responsibility for the operation of the Canal Point, Everglades and Pahokee Farm Labor Supply Centers was assumed by the Pahokee Housing Authority on October 16, 1947 after the Labor Branch of the Production and Marketing Administration, USDA, ceased operation of these and five other permanent centers in Florida. The Everglades and Pahokee Centers have continued uninterrupted operation since that date. J. W. Van is employed as Secretary-Treasurer and Executive Director of the Authority.

Mrs. Wedgworth Is Outstanding Woman Farmer In Florida

Mrs. Ruth Wedgworth of Belle Glade has been named the "Woman of the Year" in Florida agriculture by the Progressive Farmer, nationally circulated, magazine. Mrs. Wedgworth is one of the Lake Region's outstanding growers and has made quite a name for herself in agricultural circles since she took over operation of the H. H. Wedgworth Estate several years ago.

David Bleech Shot Through A Foot

David Bleech, World War II veteran who is associated with the O. R. Bleech Insurance Agency, is recuperating from a bullet wound inflicted by the accidental discharge of a .45 automatic pistol Monday night around 10 o'clock. Mr. Bleech, upon returning to his home on Bacon Point Road from a meeting of Fred and Percy Mansfield Legion Post 90, of which he is adjutant, had cleaned the automatic and was assembling it when it fired, the bullet entering his left foot above the ankle and fracturing a bone as it passed through. He was treated at the Everglades Memorial Hospital.

A decrepit horse was being offered to the highest bidder. An old farmer watched as a young man in riding breeches bid for the animal. When the sale was completed, he turned to the young fellow. "Tell me," he said "what on earth are you going to do with that nag?"

"Oh," replied the cocky young sportsman, "I'm going to race him."

The farmer took a second look at the animal. "Well, you'll win," he said.—Wall Street Journal.

Cinematic Chatter

By Malcolm Millar

It's the story of a gorgeous girl who loved show business—loved a guy—and loved children—and found a wonderful way to have all three! That's the story of "Mother Wore Tights".

"Mother Wore Tights" will be screened at the Prince Theatre, in Pahokee, this Sunday-Monday in natural and beautiful technicolor, which will be breathtaking in some of the beautiful ensembles.

Bing Crosby was the fellow who furnished the voice for the preview showing. Not because he wanted to make some extra money . . . He made it because he had sat through this wonderful picture and really believed it was Wonderfull!

Mother and Dad vowed them from Broadway to Kokomo Indiana with "You Do", "KoKoMo Indiana", "There's Nothing Like A Song", "On a little two-seat Tandem", while doing dance routines fitted to all of them.

We know that Miss Grable has passed all honors for acting, singing and dancing, but this chap Dan Daily—to my way of thinking he is the best dancing and singing partner that Miss Grable has ever had in a picture.

And before I forget to mention it . . . Mona Freeman and Connie Marshall are just simply tops as the two kids of Mom and Dad.

Be sure and see "Mother Wore Tights" when it comes to the Prince Theatre this Sunday-Monday.

Stafford Issues Warning Against Panhandlers

A warning against panhandlers who represent themselves as veterans was issued this week by James A. Stafford, County Veterans Service Officer for the Glades.

Several cases have turned up lately where tramps have begged money for "transportation to the veterans hospital." Stafford explained. He stated that most of these transients are not veterans. "If a veteran needs hospitalization, the VA will take care of the expense—there is no reason for any veteran to be out begging for money." Stafford emphasized. "Those who give money to such men are just being victimized."

He urged that all panhandling "veterans" be referred to the service office. "If they are veterans and in need of hospitalization, I will take care of them—that's what I'm here for," the service officer concluded.

The veterans office is open in the Sanders Building in Bell's Glade on Mondays, Wednesdays and Fridays, and in the Pahokee City Hall on Tuesdays, Thursdays, and Saturdays. A phone is listed for each office.

Layman's Day To Be Allowed By C. P. Methodist Church

Layman's Day, an annual service of special interest in the Canal Point Methodist Church, will be observed on Sunday, Feb. 22, at 11 a. m. The service is our yearly salute to our laymen and women with representatives of our church constituency taking part in the service. Delmar L. Hooks, the charge lay leader, is in charge of the service. The message of the morning will be brought by James McCall of the Canal Point Baptist Church.

"Ten Thousand Years" is the name of the study course to be conducted by the minister for the Woman's Society of Christian Service for three Friday evenings from 7:30 to 9:00 p. m. beginning on February 20. The course is based on the book by that name by Richard T. Baker and concerns the work of the church in China.

Preparing of shuffleboard courts, and the construction of a bocce-hockey set was part of the work undertaken by the Methodist Youth Fellowship at the meeting last night. The young folks are looking forward to the use of the new building as a real recreational center.

The Junior Fellowship of over thirty active members is working on a new handwork project in preparation for Mother's Day. Boys and girls of all the churches are joined to gather in this undenominational group sponsored by Mr. Blair.

Miss Joan Chastain, daughter of Mr. and Mrs. J. J. Chastain and a member of the Freshman Class at Pahokee High School, was crowned queen of hearts at the Valentine dance held in the high school gym Friday night under the sponsorship of the Girls Athletic Association. Miss Chastain was presented with a large box of Valentine candy and a dozen red roses for winning first place in the queen of hearts contest when 618 votes were cast for her by the student body.

The queen's court consisted of the three runners-up in the contest: Miss Barbara Wilkinson, sophomore, second place; Miss Helen Stokes, senior, third, and Miss Loretta Wilson, junior, third. The Valentine motif was used in decorating the gym and refreshments of punch, cookies and candy hearts were served to the 150 students who attended.

CHURCH OF CHRIST, SCIENTIST

"MIND" is the subject of the Lesson-Sermon which will be read in Churches of Christ, Scientist, throughout the world on Sunday, February 22.

The Golden Text is: "Who hath known the mind of the Lord, that he may instruct him?" (I Corinthians 2:16).

Among the citations which com-

prise the Lesson-Sermon is the following from the Bible: "For it is written, I will destroy the wisdom of the wise, and will bring to nothing the understanding of the prudent. Where is the wise? where is the scribe? where is the disputant of this world? hath not God made foolish the wisdom of this world?" (I Corinthians 1:19, 20).

The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "God's thoughts are perfect and eternal, are substance and Life. Material and temporal thoughts are human, involving error, and since God, Spirit, is the only cause, they lack a divine cause. The temporal and material are not then creations of Spirit. They are but counterfeits of the spiritual and eternal" (286:21-26).

Legion Plans Series Of Square Dances

Members of the Canal Point Legion Post 242 at a meeting Monday night voted to sponsor a series of old-fashioned public square dances in the Canal Point Legion Hall in the near future. Commander Roy Pope appointed Francis A. Wilson and Henry Kautz on the committee which will announce the dates for the dances. The Legion Hall will also be available for other public social affairs

as soon as the current remodeling and redecorating program is completed, it was announced.

Good results were reported on the cleanup day set aside last Saturday for clearing the lot at the northwest corner of the Canal Point school grounds for use as a children's playground. It is expected the playground will be ready after two or three more cleanup days which will be announced later. The post's new Legion colors arrived and were unfurled for the first time at the meeting.

195 PEDESTRIANS KILLED IN FLORIDA IN ONE YEAR

"One of the most serious traffic accident problems unquestionably is the pedestrian," says State Motor Vehicle Commissioner George H. Asbell.

Of 641 motor traffic fatalities during the last complete year 195, or 34%, were pedestrians, a higher death rate in that classification than was shown in the previous year's record.

At least 159 more people will be killed by automobiles in Florida this year during the fatal months of March, April and May. Of these 54 will be pedestrians if the latest record prevails. The indications are that fatalities will be even greater. 7 out of 10 of these deaths will occur at night and three-quarters of them will be walking or crossing in a way to contribute to their own deaths.

This is a timely warning! Be alert to traffic hazards when you are a pedestrian. Cross at properly designated crossings. Don't rush out from between parked cars in the middle of the block. Never walk against the light. On highways walk to the left, facing traffic.

It's your life at stake. Walk safely—live longer!

Jack Sutor Seeks Head School Job Palm Beach County

Jack Sutor, teacher and newspaper man, last week was the first candidate to announce for the position of county superintendent of schools. His announcement followed the statement of Dr. John I. Leonhard that he will not be a candidate for re-nomination in the Democratic primaries on May 4.

Sutor has taught in the schools of Florida for ten years. For five of those years he was a member of the faculty of Palm Beach High School. For the past three years he has been in the news-

paper business, working as a reporter for The Sunshine Special- Tiff and the Post and The Times in West Palm Beach.

He also served as editor of the Palm Beach Sun during that period. He has resigned his position on The Post and The Times to make the race for county superintendent.

His announcement says that he has been active for many years in the effort for teachers salaries, and better educational standards in Florida.

It states that he served on many educational committees which had those objectives as their principal purpose. And many of the improvements in education in the State have stemmed from the activities of those committees, the announcement asserts.

It continues, "I feel that I am well qualified by training and experience to fill the position of county superintendent of schools. I am a graduate of Northern Illinois State Teachers College, and hold a Master of Arts Degree from Duke University. I have had ten years of teaching experience in the classroom."

The announcement stresses the fact that Sutor has been closely identified with business progress in Palm Beach County as a newspaper reporter. As editor of the Palm Beach Sun, he has taken an active part in the struggle for flood control in the Everglades, and he strongly opposed the destruction of the Everglades Drainage District when it was proposed in the last session of the legislature, his announcement asserts.

It also points out that he fought for the Foundation Program of the State Citizens Committee on Education which passed overwhelmingly in the same meeting of the legislature.

The announcement says that he spoke in various parts of the county in favor of the plan, and supported it editorially as well.

"That program should bring nearly four million dollars to this county for new buildings to replace many of the crowded and obsolete structures that now constitute a tremendous burden on the maintenance of the school buildings by the county school board," Sutor declared this week.

The candidate for county superintendent stated that already a county wide informal organization of his friends is functioning in behalf of his candidacy.

Sutor lives with his wife, and family in West Palm Beach, and is a member of several learned and educational societies.

In outlining the principles upon which his platform will be built he declared, "I will cooperate with the parents, the teachers, the trustees and the county board for the good of the pupils."

Free Ride For You—
on the Freedom Train!

We had a real thrill in our town just the other day—when the Freedom Train stopped by!

You've heard about it, of course—an actual train that's touring the country to remind us again what true Democracy means. It carries such Americans as the Declaration of Independence, the Bill of Rights, and other immortal documents that guarantee every citizen his liberty.

A great idea! And from where I sit, we're all riding along with that Freedom Train—right now by live

Only One is No. 1-

Only Chevrolet Is First!

Meet the new standard of Big-Car beauty! It's here, in Chevrolet's Bodies by Fisher—finest bodies made—available only on Chevrolet and higher-priced cars.

You'll enjoy Big-Car performance, too, when you own a Chevrolet; for it brings you Valve-in-Head engine performance, found elsewhere only in more expensive cars.

You'll find Chevrolet rides more smoothly, on all types of roads due to the famous Kne-A-Action Ride; and, of course, Kne-A-Action is found only on Chevrolet and costlier cars.

SUPER CHEVROLET SERVICE

Men and women everywhere agree: Only one is No. 1—only Chevrolet is first—in all-round value as in popularity. Consequently, more people drive Chevrolets than any other make, according to official nationwide registrations; and more people want Chevrolets than any other make, according to seven independent nationwide surveys. Here, in the new 1948 Chevrolet, is record value. For new and even more luxurious styling, colors and appointments have been added to all of Chevrolet's other advantages of BIG-CAR QUALITY AT LOWEST COST!

HURRY! HURRY!

Join the 11,200 pedestrians KILLED last year!

Don't go home to-night. Go to the hospital—or the morgue!

Why be around to-morrow, next week, or next year? Go on—dash through traffic when and where you shouldn't. Ignore red lights and safety signs. Make a face at the traffic cop who's trying to protect you as you tear by — hurrying to go—where?

Be impatient. Hurry, hurry and join the 11,200 pedestrians who were killed in the United States last year. 195 of them were neighbors of yours in Florida.

But perhaps you don't like the idea. Maybe you enjoy living and don't want to rush into Kingdom Come prematurely. That's different—and the answer is simple. Don't hurry. Wait just the few seconds it takes the light to go green. Don't take a short cut across the middle of the block, drivers aren't looking for you there. And no matter when or where you cross a highway, be alert. Walk safely and live longer.

North Glades District of the
Gulf Stream Council of Boy
Scouts, and Rev. A. J. Lively, dis-

scouting activities within the dis-
trict. Scoutmaster Kicklighter

progress made during the past
year by the Pahokee Boy Scout
Troop 23 which is sponsored by
the club.

The group discussed plans to
start immediate repairs on the roof
and windows of the Pahokee scout
hut which were damaged by the
hurricane last fall. Plans were also
made for the club's annual ladies
night program which will be pre-
sented in March.

**Altar Society Has
Colorful Ceremony**

Miss Gene Rushing, Belle Glade
and Mr. Francis Cross, Jr., Pahokee
were crowned Queen and King of
Hearts in a colorful ceremony
when the St. Mary's Altar Society
presented Cupid on Parade, a pre-
valentine festival having St. Valen-
tine Day for the theme. Miss
Rushing and Mr. Cross were led
to their throne by Cupid, ably por-
trayed by R. Young Creech, III.

Cupid led the King and Queen
under an archway of flowers formed
by three arches covered with red
and white gladioli and held by
six beautiful girls who served as
maids to the Queen with Meas-
ters. W. L. Cunningham, Jr., and
Howard Armstrong, Kings Guard
standing at attention. Mr. Clyde
Clayton, Master of Ceremonies,
placed the crown on the Queen's
head and said, "Gene Rushing, be-
cause you personify Youth, beauty,
purity and love, I crown you
Queen of Hearts". And placing the
crown on the King's head Mr. Clayton
said, "Francis Cross, because you
personify youth, integrity,
uprightness and love I crown
you King of Hearts".

Three year old Young Creech
won thunderous applause as he
marched down the aisle with bow
and arrow, his wings moving with
the sway of his body, a perfect
portrayal of Cupid.

Miss Rushing was beautifully
gowned in ankle length white chif-
fon with heart shaped bodice topped
with flesh colored chiffon. She
carried an arm bouquet of red and
white roses. The maids, Misses
Mary Mullis of Pahokee, Evelyn
Lee of Lake Harbor, Margaret
Williams, Ouida Hughes, Betty Al-
ford, Nell Thomas, all of Belle
Glade wore evening gowns of pas-
tel shades.
